### EXPERIENCE

#### JUNIOR DESIGNER

In-Site Interior Design | Huntington Station, New York      October 2023 – Current  
Developed space planning concepts, color palette selectins and textile presentations. Participated in furniture selection and documentation of specifications. Designed floor plans, elevation, and 3D perspective views.

#### SENIOR DESIGNER

Studio HP Designs | Port Washington, New York      June 2021 – Current  
Work closely with the head designer to create floorplans, elevations, models, and 3D Renderings. Assist in measuring spaces and picking out furniture/ material selections for our clients.

#### DESIGN CONSULTANT & CUSTOMER SERVICE

Decor Market | Port Washington, New York      December 2018 – February 2023  
Consulting customers by recommending suitable decorations for their home projects and remodeling. Picking out and matching furniture products while also assisting in online ordering. In addition, I am helping with customer service, returns, and marketing departments.

#### DESIGN ASSISTANT

Safavieh | Port Washington, New York      December 2020 – Feburary 2021  
Created floorplans for the designers and designed booklets with the furniture, finishes, fixtures, and equipment. Compiled and priced all the pieces chosen and prepared it in presentation format for the clients.

#### DESIGN INTERN

Baltimore Design Group | Port Washington, New York      November 2016 – April 2017  
Worked side by side with the design manager in matching out fabrics, furniture, and materials for projects. Maintained the orders of the goods and materials as well as inventory
